Monroe County CYO

SOFTBALL RULES/REGULATIONS

I. PLAYING RULES:

- A. Official Rules: The rules of the CYO Softball League are those of the National Federation. It is imperative that each coach has a working knowledge of the National Federation Rule Book in addition to those rules governing CYO Athletics.
- B. Purpose of these Rules: CYO wishes to stress that scores are not to be run-up by winning teams, and also wishes to emphasize that coaches must make every effort to play as many team members as possible in a given game.
- C. Team Minimum: A team must be able to field the minimum number of players at game time or the game is forfeited. If a player becomes ill or injured and is unable to finish the game, the team may finish the game with one player less than the minimum number of players required to start the game. This does not apply to player ejection. If an ejection leads to a team being short of the minimum number of players, the game is forfeited at that time.
 - 1. B Division: Teams must have a minimum of 9 players present to start the game. Players may be temporarily added to a roster with the written approval of the League Director. A specific player will only be allowed to temporarily add one time per season. Players may be temporarily added to ensure that a team has 10 players. The player must be a rostered member of an equal or lower-level Monroe CYO team.
 - 2. Game Time: Game time is forfeit time. If one team is not present or not ready to play with the minimum number of players at the time that a contest is scheduled to begin, their opponent may accept forfeit victory for that contest. Game officials shall sign the score sheet to verify forfeit. No official is required to wait beyond the scheduled game time for a team.

- D. Game Length: Games shall be of the following length --
1. All double-headers (DHs) will consist of two, 5-inning games unless otherwise notified by league director.
- E. Extra Innings:
1. Division: Tied games will remain tied during the regular season. During the postseason a winner will be determined by playing extra innings until a winner is determined. International rules (the last batter from the previous inning will be placed as the runner at second base) will be applied at the beginning of the extra inning.
- F. Game Time Limit: No inning shall begin after one hour and thirty minutes of play in B Division games. An inning that begins prior to the applicable game time limit will be completed regardless of time. Game start time should be noted by both coaches at the beginning of the game. It is not the umpire's responsibility to warn a coach of "the possible last inning".
- G. Mercy Rule: A game will be officially concluded when a team is fifteen (15) or more runs behind and has completed its turn at bat in the 4th inning, or is ten (10) or more runs behind and has completed its turn at bat in the 5th or subsequent innings. This rule applies in all regular season and Post-Season Tournament games.
- (**Exception**: If the time limit expires, the game is concluded regardless of the number of innings that have been completed.)
- H. Travesty Rule: The batting team may not score more than five (5) runs in any half inning until after the 4th inning. After the fourth (4th) complete inning there is no limit to the amount of runs a team may score. Regular mercy rule still applies.

II. GAME RULES/REGULATIONS:

- A. Playing Field: A diamond or infield shall be 60-foot square. The outfield is the unobstructed area between the two foul lines that extends beyond the infield a minimum of 120 feet. All fields are to be marked accordingly and groomed to ensure safety.

 2. Pitching Distance: B Division – 36 feet (36').

- D. Metal Cleats: Metal cleats are prohibited at the B level. Violation will result in forfeit.
- E. Regulation Softball: The twelve inch (12"), optic yellow, 375 compression softball will be used in all games. Each team will furnish a new ball or a ball deemed by the umpire to be playable for each game. All teams are expected to have more balls available if foul balls are not being shagged.
- F. Uniforms: Each player shall be numbered on the back of the shirt and no players on the same team shall wear identical numbers.
- G. Game Roster: Shall be submitted/exchanged between managers ten (10) minutes prior to the start of the game.
- H. Team Benches: The home team has the choice of bench (1st or 3rd baseline). It is recommended that the home team takes the third base bench and the visiting team takes the first base bench. For DH there is no need to change benches after the completion of the first game.
- I. Pre-Game Warm-up: Where possible, the visiting team will take infield practice thirty (30) minutes prior to game time and the home team will take infield practice fifteen (15) minutes prior to game time. Where there are multiple games scheduled on the same field, if games are running behind, there will be no infield practice after the published time. In such circumstances, teams must come warmed-up and ready to play.
- J. SPECIAL EXCEPTIONS TO NATIONAL FEDERATION RULES:

 4. Pitching Motion: This is a fast pitch league. Any legal pitch/motion may be used.
 5. Pitching Limitation: No pitcher may pitch more than nine (9) outs per game or fifteen (15) outs in a calendar day. If a game goes into extra innings, the pitcher at the end of the last regulation inning is eligible to complete the game regardless of the number of previous outs recorded. These outs are counted for the fifteen outs in a calendar day. (2025) During postseason play the fifteen outs in a calendar day will be waived however a pitcher during postseason may not pitch more than 9 outs per game.
 6. B Level Coach Pitch Rule: In the B level only, once a team has walked 6 girls in

one inning, the coach of the batting team will come out to finish pitching the inning. The coach may stand closer to the plate than the pitching rubber however, if a batted ball hits any part of the coach it shall be considered a dead ball out with no runners advancing. The batter will receive 3 pitches from the coach, all to be considered strikes. If a foul ball occurs on the 3rd pitch, an additional pitch will be thrown. At bat will not end on a foul ball.

7. Softball Bat: Only bats meeting the 1.2 dimension shall be used. This rule applies to both Divisions of play.
8. Dropped Third Strike: In the B Division, the ball is dead and no advancement is allowed.
9. Stealing & Leading off the Base: Lead-offs are not permitted in the B Division, but players may advance once the pitch reaches home plate, on passed balls, wild pitches or plays elsewhere on the field (including an attempt to pick-off the runner). To reduce running up scores, a limit of one attempt per inning will be placed on a runner advancing home without the bat hitting the ball. (stealing of home). After that one attempt, a ball must be batted into play for a runner to advance home from 3rd or any other base.
- 10.
